This requirement is waived if the license or certificate is renewed in an inactive status, or the licensee or certificate holder is actively serving in the military outside the country.

(5) An inactive license or certificate may be renewed.

~~(e) Licensees who are on active duty service must notify the board, in writing, within 60 days of his or her notice of discharge.~~

~~(f) In order to activate their license, the licensee must meet all necessary renewal requirements within six (6) months from the licensee's discharge from active duty service, including the requirements of sections 4130 and 4161.~~

(c) Licensees who possess a current and valid license and who are called to active duty as a member of the United States Armed Forces or the California National Guard shall have all renewal requirements waived, upon submission of documentation verifying the licensee's active duty service. The renewal requirements are waived only for the period during which the licensee is on active duty service.

(d) Licensees may not engage in the practice of occupational therapy during the period or active duty service and renewal waiver. In order to provide occupational therapy services a licensee may request that his or her license be placed on "Military Active" status. A licensee whose license is on "Military Active" status shall not engage in private practice or render services to the public.

(e) A licensee who applies to reactive his or her license within six (6) months of their discharge from active duty service, shall be granted waivers as follows:

(1) A licensee who applies to reactive his or her license within two (2) years from the expiration date of their license shall be exempted from paying the renewal fee, delinquent fee, and meeting the continuing competence requirement; or

(2) A licensee who applies to reactivate his or her license more than two (2) years from the expiration date of their license shall be exempted from paying any accrued renewal or delinquent fees but shall complete the continuing competence requirement set forth in Section 4161 or otherwise request and qualify for the continuing competence exemption set forth in Section 4163.
