HIGHLIGHTS OF AGENDA ITEM #8
from March 9, 10, 2017, California Board of Occupational Therapy Meeting

8. Consideration and possible action on possible legislation to license athletic trainers.

Executive Officer, Heather Martin gave an overview of the position of the athletic trainers, their efforts to become licensed, and referenced board meeting materials provided for this agenda item. Ms. Martin stated California is now the only state that does not license athletic trainers.

Mike Chisar, Governmental Affairs Chair of the California Athletic Trainers' Association (CATA) that was introduced to answer any questions the Board had regarding the legislation to create the Athletic Trainer Licensing Committee within the California Board of Occupational Therapy (CBOT).

President Denise Miller asked Mr. Chisar how CATA envisioned the composition of the Athletic Trainer Licensing Committee would look under the CBOT. Mr. Chisar stated that CATA did want to be a committee under CBOT and they were open to working collaboratively on a model for their committee.

President Miller asked what 'illness and injury' looked like under their scope of practice. Mr. Chisar said that this would be setting specific because those that need treatment aren't always what the world sees as traditional athletes. Mr. Chisar said that athletic trainer's treat a wide range of physically active individuals such as military personnel, performing arts groups, police and fire etc...

Secretary Sharon Pavlovich asked what the fiscal implications were and how they would impact the CBOT. Executive Officer Heather Martin stated that committees have their own Executive Officer, budget, regulations and in some instances their own Board.

Secretary Pavlovich stated that she saw this as a great opportunity to collaborate and assist the athletic trainers in establishing licensure.

Vice President Richard Bookwalter asked if the actions of a committee would reflect on CBOT. Legal Counsel Ileana Butu stated that the committees' actions would reflect only on their committee. Ms. Butu pointed out that AB 1510 currently lacks administration details like staffing which would in fact burden CBOT if not updated.

Mr. Chisar responded that the lack of language pertaining to staffing the Committee was an oversight. It is not CATA's intent to saddle the CBOT with any costs or have existing CBOT staff administer the Committee. Mr. Chisar indicated appropriate language would be added to the bill.

Legal Counsel Ileana Butu suggested the Board compose a list of things that are missing from the proposed language.

Public Comments

- Heather Kitching, OTR, President of the Occupational Therapy Association of California (OTAC) stated that OTAC is supportive of licensure for the athletic trainers, however OTAC leadership is concerned about the proposed language and will be asking for amendments to the language.
- Ada Boone Hoerl, COTA, Program Coordinator at Sacramento City College commended the athletic trainers in their seeking licensure but had concerns regarding the breadth of the scope of practice language.

President Miller recommended forming an Ad Hoc committee that included OTAC participation, to establish a clear delineation on the scope of practice, disciplinary language and the administration of the committee.

Ms. Miller asked Ernie Escovedo if he wished to serve as a member of the committee. Mr. Escovedo accepted.

Board member Teresa Davies confirmed that the consensus reached by the Ad Hoc committee would be brought back to the Board for review and possible approval.

Heather Kitching, OTAC President submitted the names of two practitioners that she thought would be interested in serving as members of the Ad Hoc committee.

***President Miller stated that the list of Ad Hoc committee appointees would be outlined on day two of the Board meeting.

Day Two

The Ad hoc committee appointees are as follows:

- Teresa Davies, Chair
- Denise Miller
- Sharon Pavlovich
- Ada Boone Hoerl
- Kecia Coker
- Remy Chu Jr.
- Ernie Escovedo

CALIFORNIA LEGISLATURE— 2017-2018 REGULAR SESSION

ASSEMBLY BILL

No. 1510

Introduced by Assembly Member Dababneh

February 17, 2017

An act to add and repeal Chapter 5.8 (commencing with Section 2697) of Division 2 of the Business and Professions Code, relating to athletic trainers.

LEGISLATIVE COUNSEL'S DIGEST

AB 1510, as introduced, Dababneh. Athletic trainers.

Existing law provides for the regulation of various professions and vocations, including those of an athlete agent.

This bill would enact the Athletic Training Practice Act, which would, after a determination is made that sufficient funds have been received to pay initial costs of this bill, provide for the licensure and regulation of athletic trainers, as defined. The bill would, after that determination, establish the Athletic Trainer Licensing Committee within the California Board of Occupational Therapy to implement these provisions, including issuing and renewing athletic training licenses and imposing disciplinary action. Under the bill, the committee would be comprised of 7 members, to be appointed to 4-year terms, except as specified. Commencing 6 months after the committee is established by this bill, the bill would prohibit a person from practicing as an athletic trainer or using certain titles without a license issued by the committee, except as specified. The bill would prohibit, except in specified cases for a specified period, a person from using the title "athletic trainer," unless the person is licensed by the committee. The bill would specify the requirements for licensure, including education, examination, and the payment of a license application fee established by the committee. The bill would define the practice of athletic training and prescribe supervision requirements on athletic trainers.

The bill would also establish the Athletic Trainers' Fund for the deposit of license application and renewal fees,

and would make those fees available to the committee for the purpose of implementing these provisions upon appropriation by the Legislature. The bill would authorize the Director of Consumer Affairs to seek and receive donations from the California Athletic Trainers Association for purposes of obtaining funds for the startup costs of implementing the act. The bill would require the director to determine that sufficient funds for that purpose have been obtained and to provide notice to the Legislature, the Governor, and on the department's Internet Web site of the determination, as specified. This bill would repeal these provisions on January 1, 2025.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares the following:

(a) California is ~~one of~~ ^{THE} only ~~two~~ states that does not currently regulate the practice of athletic training. This lack of regulation creates the risk that individuals who have lost or are unable to obtain licensure in another state will come to California to practice, thereby putting the public in danger and degrading the standards of the profession as a whole.

(b) There is a pressing and immediate need to regulate the profession of athletic training in order to protect the public health, safety, and welfare. This need is particularly important because athletic trainers often work with school-age children.

(c) There is also a pressing and immediate need to regulate the profession of athletic training because the absence of regulation puts California businesses, colleges, universities, and other organizations at risk of liability solely because of the unlicensed status of athletic trainers in the state.

SEC. 2. Chapter 5.8 (commencing with Section 2697) is added to Division 2 of the Business and Professions Code, to read:
