### Disclaimer for Disciplinary Action Summary

The reports contained as part of this web site represent summaries of those formal disciplinary orders issued by the Department of Consumer Affairs (DCA) and its participating programs, boards, committees, and commissions, imposing suspension, revocation or other discipline. Disciplinary proceedings which are resolved by dismissal of the accusation or otherwise result in no actual discipline of a license are not reported at this web site. The lack of a summary for a particular licensed person does not mean that the licensee has never been the subject of an accusation or administrative discipline.

Summary information on recent orders is prepared approximately ninety (90) days after the final decision date of a disciplinary case. Therefore, although this web site may presently lack any such report, some licensees will actually be named in accusations, or be subject to disciplinary orders.

The information provided on this web site is intended to provide a summary of the actual decisions and orders issued by the Department of Consumer Affairs. Copies of these decisions and orders are available at...

### Status Definition

A Citation and Fine is an enforcement method by which the PTB may address relatively minor violations of the practice act that would not necessarily warrant discipline in order to protect the public. Citation and fine Orders ARE NOT disciplinary actions but are matters of public record. Citations remain on a licensee's file for five years and are then purged. By law, payment
