DISCIPLINARY GUIDELINES

I. INTRODUCTION

To establish consistency in disciplinary penalties for similar offenses on a statewide basis, the California Board of Occupational Therapy (Board) has adopted these uniform disciplinary guidelines for particular violations. This document, designed for use by attorneys, administrative law judges, occupational therapists, occupational therapy assistants, others involved in the disciplinary process, and ultimately the Board, may be revised from time to time and shall be distributed to interested parties upon request.

These guidelines include general factors to be considered, probationary terms, and guidelines for specific offenses. The guidelines for specific offenses reference the applicable statutory and regulatory provision(s).

The terms and conditions of probation are divided into two general categories:

- (1) Standard Conditions are those conditions of probation which will generally appear in all cases involving probation as a standard term and condition; and
- (2) Optional Conditions are those conditions which address the specific circumstances of the case and require discretion to be exercised depending on the nature and circumstances of a particular case.

Except as provided in the Uniform Standards Related to Substance Abuse, the Board recognizes that these recommended penalties and conditions of probation are merely guidelines and that mitigating or aggravating circumstances and other factors may necessitate deviations, as discussed herein. If there are deviations from the guidelines, the Board requests that the Administrative Law Judge hearing the matter include an explanation in the Proposed Decision so that the circumstances can be better understood and evaluated by the Board upon review of the Proposed Decision and before final action is taken.

Additional copies of this document may be obtained by contacting the Board at its office in Sacramento, California or from its web site at www.bot.ca.gov.

II. GENERAL CONSIDERATIONS

The Board requests that Proposed Decisions following administrative hearings include the following:

- a. Specific code sections violated with their definitions.
- b. Clear description of the violation.
- c. Respondent's explanation of the violation if he/she is present at the hearing.
- d. Findings regarding aggravation, mitigation, and rehabilitation where appropriate.
- e. When suspension or probation is ordered, the Board requests that the disciplinary order include terms within the recommended guidelines for that offense unless the reason for departure from the recommended terms is clearly set forth in the findings and supported by the evidence.

Factors to be Considered - In determining whether revocation, suspension or probation is to be imposed in a given case, factors such as the following should be considered:

1. Nature and severity of the act(s), offense(s), or crime(s) under consideration.
2. Actual or potential harm to any consumer, client or the general public.
3. Prior disciplinary record.
4. Number and/or variety of current violations.
5. Mitigation evidence.
6. Rehabilitation evidence.
7. In the case of a criminal conviction, compliance with terms of sentence and/or court-ordered probation.
8. Overall criminal record.
9. Time passed since the act(s) or offense(s) occurred.
10. Whether or not the respondent cooperated with the Board's investigation, other law enforcement or regulatory agencies, and/or the injured parties.
11. Recognition by respondent of his or her wrongdoing and demonstration of corrective action to prevent recurrence.

III. DEFINITION OF PENALTIES

Revocation: Loss of a license as the result of any one (1) or more violations of the Occupational Therapy Practice Act. Revocation of a license is permanent, unless the respondent takes affirmative action to petition the Board for reinstatement of his/her license and demonstrates to the Board's satisfaction that he/she is rehabilitated.

Suspension: Invalidation of a license for a fixed period of time, not to exceed one (1) year.

Stayed Revocation: Revocation of a license, held in abeyance pending respondent's compliance with the terms of his/her probation.

Stayed Suspension: Suspension of a license, held in abeyance pending respondent's compliance with the terms of his/her probation.

Probation: A period during which a respondent's discipline is stayed in exchange for respondent's compliance with specified conditions relating to improving his/her conduct or preventing the likelihood of a recurrence of the violation.

IV. PENALTIES FOR VIOLATIONS - MINIMUM/MAXIMUM

The offenses are listed by statute number in the Business and Professions Code. The standard terms of probation as stated herein shall be included for all probations. The optional conditions of probation as stated herein are to be considered and imposed along with any other optional conditions if facts and circumstances warrant. The number(s) in brackets listed after each condition of probation refers to the conditions listed on pages 13-24.
