Information Collection and Access – The Board’s executive officer is the person responsible for information maintenance. Business and Professions Code section 2570.18 gives the Board authority to maintain information. All information is mandatory. Failure to provide any mandatory information will result in the application being rejected as incomplete. The information provided will be used to determine qualification for advanced practice approval. Each individual has the right to review his or her file maintained by the agency subject to the provisions of the California Public Records Act.

Approval in an advanced practice area demonstrates entry-level competency in the area approved. Approval does not represent expertise in this area and should not be misrepresented as such. Pursuant to Title 16, California Code of Regulations, Section 4170(f)(1) of the Ethical Standards of Practice, occupational therapists are required to accurately represent their credentials, qualifications, education, experience, training, and competency. Further, Section 4170(d) states that occupational therapists shall perform services only when they are qualified by education, training, and experience to do so.
